| Hersteller                             | Cirrus Logic                                           |
| Beschreibung                           | IC CODEC 24BIT 64TQFP                                  |
| Kategorie                              | Integrierte Schaltungen (ICs) > Schnittstelle - CODECs |
| Teilstatus                             | 2618 pcs Stock                                         |
| Spannung - Versorgung, digital         | 2.7 V ~ 3.6 V                                          |
| Spannung - Versorgung, analog          | 2.7 V ~ 5.5 V                                          |
| Art                                    | Audio                                                  |
| Supplier Device-Gehäuse                | 64-TQFP (10x10)                                        |
| Sigma Delta                            | Yes                                                    |
| Serie                                  | -                                                      |
| S / N-Verhältnis, ADCs / DACs (db) Typ | 102 / 106                                              |
| Auflösung (Bits)                       | 24 b                                                   |
| Verpackung                             | Tape & Reel (TR)                                       |
| Verpackung / Gehäuse                   | 64-TQFP                                                |
| Betriebstemperatur                     | -40°C ~ 85°C                                           |
| Anzahl der ADCs / DACs                 | 1 / 4                                                  |
| Befestigungsart                        | Surface Mount                                          |
| Dynamic Range, ADCs / DACs (db) Typ    | 102 / 106                                              |
| Data Interface                         | Serial                                                 |
