| Hersteller              | N/A                                                    |
| Beschreibung            | IC CONVERTER V/F-F/V 14DIP                             |
| Kategorie               | Integrierte Schaltungen (ICs) > PMIC - V / F und F / V |
| Teilstatus              | 2682 pcs Stock                                         |
| Art                     | Volt to Frequency and Frequency to Volt                |
| Supplier Device-Gehäuse | 14-PDIP                                                |
| Serie                   | -                                                      |
| Verpackung              | Tube                                                   |
| Verpackung / Gehäuse    | 14-DIP (0.300", 7.62mm)                                |
| Befestigungsart         | Through Hole                                           |
| Linearität              | ±0.05%                                                 |
| Full Scale              | ±75ppm/°C                                              |
| Frequenz - Max          | 500kHz                                                 |
