| Kategorie                         | Integrierte Schaltungen (ICs) > Logik - Gatter und |
| Teilstatus                        | 2576 pcs Stock                                     |
| Spannungsversorgung               | 2 V ~ 6 V                                          |
| Supplier Device-Gehäuse           | 14-SOIC                                            |
| Serie                             | 74AC                                               |
| Verpackung                        | Tape & Reel (TR)                                   |
| Verpackung / Gehäuse              | 14-SOIC (0.154", 3.90mm Width)                     |
| Betriebstemperatur                | -55°C ~ 125°C                                      |
| Anzahl der Eingänge               | 2                                                  |
| Zahl der Schaltkreise             | 4                                                  |
| Befestigungsart                   | Surface Mount                                      |
| Max Propagation Delay @ V, Max CL | 7.5ns @ 5V, 50pF                                   |
| Logiktyp                          | AND Gate                                           |
| Logikpegel - Low                  | 0.9 V ~ 1.65 V                                     |
| Logikpegel - Hohe                 | 2.1 V ~ 3.85 V                                     |
| Eigenschaften                     | -                                                  |
| Strom - Ruhende (Max)             | 2µA                                                |
| Strom - hoch, niedrig             | 24mA, 24mA                                         |
