| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 76565 pcs Stock                                       |
| Spannung - Ausgabe           | 1V                                                    |
| Spannung - Eingang           | Up to 4.5V                                            |
| Spannung - Aussetz (typisch) | 0.11V @ 350mA                                         |
| Supplier Device-Gehäuse      | 6-SON (2x2)                                           |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Fixed                                        |
| Verpackung                   | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse         | 6-WDFN Exposed Pad                                    |
| Betriebstemperatur           | -40°C ~ 125°C (TA)                                    |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 350mA                                                 |
| Strom - Grenze (min)         | 420mA                                                 |
