Spezifikationen

|                                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | PIC16F724T-I/MV                               |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 7KB FLASH 40UQFN                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2548 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 1.8 V ~ 5.5 V                                 |
| Supplier Device-Gehäuse           | 40-UQFN (5x5)                                 |
| Geschwindigkeit                   | 20MHz                                         |
| Serie                             | PIC® XLP™ 16F                                 |
| RAM-Größe                         | 192 x 8                                       |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergroße             | 7KB (4K x 14)                                 |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tape & Reel (TR)                              |
| Verpackung / Gehäuse              | 40-UFQFN Exposed Pad                          |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 36                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 14x8b                                     |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | I²C, SPI, UART/USART                          |
