Spezifikationen

|                                  |                                                  |
|----------------------------------|--------------------------------------------------|
| Artikelnummer                    | MCP4021T-503E/MC                                 |
| Hersteller                       | Micrel / Microchip Technology                    |
| Beschreibung                     | IC DGTL POT 50K 1CH 8DFN                         |
| Kategorie                        | Integrierte Schaltungen (ICs) > Datenerfassung - |
| Teilstatus                       | 2659 pcs Stock                                   |
| Spannungsversorgung              | 2.7 V ~ 5.5 V                                    |
| Toleranz                         | ±20%                                             |
| Temperaturkoeffizient (Typ)      | 150 ppm/°C                                       |
| Verjüngen                        | Linear                                           |
| Supplier Device-Gehäuse          | 8-DFN (2x3)                                      |
| Serie                            | WiperLock™                                       |
| Widerstand - Wischer (Ohm) (Typ) | 70                                               |
| Widerstand (Ohm)                 | 50k                                              |
| Verpackung                       | Tape & Reel (TR)                                 |
| Verpackung / Gehäuse             | 8-VDFN Exposed Pad                               |
| Betriebstemperatur               | -40°C ~ 125°C                                    |
| Anzahl der Gewindebohrer         | 64                                               |
| Zahl der Schaltkreise            | 1                                                |
| Speichertyp                      | Non-Volatile                                     |
| Schnittstelle                    | Up/Down (U/D, CS)                                |
| Eigenschaften                    | -                                                |
| Konfiguration                    | Potentiometer                                    |
