| Hersteller               | Knowles / Syfer                                     |
| Beschreibung             | CAP CER 2700PF 16V X7R 0603                         |
| Kategorie                | Kondensatoren > Keramikkondensatoren                |
| Teilstatus               | 2643 pcs Stock                                      |
| Spannung - Nennwert      | 16V                                                 |
| Toleranz                 | ±10%                                                |
| Dicke (max)              | 0.031" (0.80mm)                                     |
| Temperaturkoeffizient    | X7R (2R1)                                           |
| Größe / Dimension        | 0.063" L x 0.031" W (1.60mm x 0.80mm)               |
| Serie                    | FlexiCap™                                           |
| Bewertungen              | AEC-Q200                                            |
| Verpackung               | Tape & Reel (TR)                                    |
| Verpackung / Gehäuse     | 0603 (1608 Metric)                                  |
| Betriebstemperatur       | -55°C ~ 125°C                                       |
| Befestigungsart          | Surface Mount, MLCC                                 |
| Leitungsstil             | -                                                   |
| Leiter-Abstand           | -                                                   |
| Höhe - eingesteckt (max) | -                                                   |
| Eigenschaften            | Soft Termination, Epoxy Mountable, High Temperature |
| Fehlerrate               | -                                                   |
| Kapazität                | 2700pF                                              |
| Anwendungen              | High Reliability, Automotive, Boardflex Sensitive   |
