Spezifikationen

|                                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | PIC18F2682-E/SP                               |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 80KB FLASH 28SDIP                 |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2613 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 4.2 V ~ 5.5 V                                 |
| Supplier Device-Gehäuse           | 28-SPDIP                                      |
| Geschwindigkeit                   | 40MHz                                         |
| Serie                             | PIC® 18F                                      |
| RAM-Größe                         | 3.25K x 8                                     |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 80KB (40K x 16)                               |
| Peripherals                       | Brown-out Detect/Reset, HLVD, POR, PWM, WDT   |
| Verpackung                        | Tube                                          |
| Verpackung / Gehäuse              | 28-DIP (0.300", 7.62mm)                       |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 125°C (TA)                            |
| Anzahl der E / A                  | 25                                            |
| EEPROM Größe                      | 1K x 8                                        |
| Datenwandler                      | A/D 8x10b                                     |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | CAN, I²C, SPI, UART/USART                     |
