Spezifikationen

|                                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | AT89LP428-20MH                                |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 4KB FLASH 32VQFN                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2559 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2.4 V ~ 5.5 V                                 |
| Supplier Device-Gehäuse           | 32-VQFN (5x5)                                 |
| Geschwindigkeit                   | 20MHz                                         |
| Serie                             | 89LP                                          |
| RAM-Größe                         | 768 x 8                                       |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 4KB (4K x 8)                                  |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 32-VFQFN Exposed Pad                          |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 30                                            |
| EEPROM Größe                      | 512 x 8                                       |
| Datenwandler                      | -                                             |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | 8051                                          |
| Connectivity                      | SPI, UART/USART                               |
