| Artikelnummer                          | TSM932ESA+                                           |
| Hersteller                             | Energy Micro (Silicon Labs)                          |
| Beschreibung                           | IC COMPARATOR DUAL PP 8SOIC                          |
| Kategorie                              | Integrierte Schaltungen (ICs) > Linear - Vergleicher |
| Teilstatus                             | 2565 pcs Stock                                       |
| Spannungsversorgung, Single / Dual (±) | 2.5 V ~ 11 V, ±1.25 V ~ 5.5 V                        |
| Spannung - Eingangs-Offset (Max)       | 10mV @ 2.5V                                          |
| Art                                    | with Voltage Reference                               |
| Supplier Device-Gehäuse                | 8-SOIC                                               |
| Serie                                  | TSM93x                                               |
| Propagation Delay (Max)                | 12µs                                                 |
| Verpackung                             | Tube                                                 |
| Verpackung / Gehäuse                   | 8-SOIC (0.154", 3.90mm Width)                        |
| Ausgabetyp                             | CMOS, Push-Pull, TTL                                 |
| Betriebstemperatur                     | -40°C ~ 85°C                                         |
| Anzahl der Elemente                    | 2                                                    |
| Befestigungsart                        | Surface Mount                                        |
| Hysterese                              | 50mV                                                 |
| Strom - Ruhende (Max)                  | 4.5µA                                                |
| Strom - Ausgabe (Typ)                  | 40mA                                                 |
| Strom - Eingangsruhe (Max)             | -                                                    |
| CMRR, PSRR (Typ)                       | 80dB CMRR, 80dB PSRR                                 |
