| Teilstatus                        | 2689 pcs Stock                                  |
| Spannung - Versorgung (Vcc / Vdd) | 2.7 V ~ 3.6 V                                   |
| Geschwindigkeit                   | 20MHz                                           |
| Serie                             | Encore! <sup>®</sup> XP <sup>®</sup>            |
| RAM-Größe                         | 256 x 8                                         |
| Programmspeichertyp               | FLASH                                           |
| Programmspeichergröße             | 1KB (1K x 8)                                    |
| Peripherals                       | Brown-out Detect/Reset, LED, LVD, POR, PWM, WDT |
| Verpackung                        | Tube                                            |
| Verpackung / Gehäuse              | 8-SOIC (0.154", 3.90mm Width)                   |
| Oszillatortyp                     | Internal                                        |
| Betriebstemperatur                | 0°C ~ 70°C (TA)                                 |
| Anzahl der E / A                  | 6                                               |
| EEPROM Größe                      | 16 x 8                                          |
| Datenwandler                      | -                                               |
| Kerngröße                         | 8-Bit                                           |
| Core-Prozessor                    | eZ8                                             |
| Connectivity                      | IrDA, UART/USART                                |
|                                   |                                                 |
