| Beschreibung                      | IC MCU 8BIT 1KB FLASH 8SOIC                                                   |
| Kategorie                         | <a href="#">Integrierte Schaltungen (ICs)</a> > <a href="#">Eingebettet -</a> |
| Teilstatus                        | 2639 pcs Stock                                                                |
| Spannung - Versorgung (Vcc / Vdd) | 2.7 V ~ 3.6 V                                                                 |
| Geschwindigkeit                   | 5MHz                                                                          |
| Serie                             | Encore! <sup>®</sup> XP <sup>®</sup>                                          |
| RAM-Größe                         | 256 x 8                                                                       |
| Programmspeichertyp               | FLASH                                                                         |
| Programmspeichergröße             | 1KB (1K x 8)                                                                  |
| Peripherals                       | Brown-out Detect/Reset, LED, POR, PWM, WDT                                    |
| Verpackung                        | Tube                                                                          |
| Verpackung / Gehäuse              | 8-SOIC (0.154", 3.90mm Width)                                                 |
| Oszillatortyp                     | Internal                                                                      |
| Betriebstemperatur                | -40°C ~ 105°C (TA)                                                            |
| Anzahl der E / A                  | 6                                                                             |
| EEPROM Größe                      | -                                                                             |
| Datenwandler                      | A/D 4x10b                                                                     |
| Kerngröße                         | 8-Bit                                                                         |
| Core-Prozessor                    | eZ8                                                                           |
| Connectivity                      | IrDA, UART/USART                                                              |
