Spezifikationen

|                                   |                                                  |
|-----------------------------------|--------------------------------------------------|
| Artikelnummer                     | ATSAM4LC2CA-CFUR                                 |
| Hersteller                        | Micrel / Microchip Technology                    |
| Beschreibung                      | IC MCU 32BIT 128KB FLASH 100BGA                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet -    |
| Teilstatus                        | 2542 pcs Stock                                   |
| Spannung - Versorgung (Vcc / Vdd) | 1.68 V ~ 3.6 V                                   |
| Supplier Device-Gehäuse           | 100-VFBGA (7x7)                                  |
| Geschwindigkeit                   | 48MHz                                            |
| Serie                             | SAM4L                                            |
| RAM-Größe                         | 32K x 8                                          |
| Programmspeichertyp               | FLASH                                            |
| Programmspeichergröße             | 128KB (128K x 8)                                 |
| Peripherals                       | Brown-out Detect/Reset, DMA, I²S, LCD, POR, PWM, |
| Verpackung                        | Tape & Reel (TR)                                 |
| Verpackung / Gehäuse              | 100-VFBGA                                        |
| Oszillatortyp                     | Internal                                         |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                                |
| Anzahl der E / A                  | 75                                               |
| EEPROM Größe                      | -                                                |
| Datenwandler                      | A/D 15x12b, D/A 1x10b                            |
| Kerngröße                         | 32-Bit                                           |
| Core-Prozessor                    | ARM® Cortex®-M4                                  |
| Connectivity                      | I²C, IrDA, LIN, SPI, UART/USART, USB             |
