| Beschreibung               | IC ENERGY MON HOT-SWAP 32-LFCSP                          |
| Kategorie                  | Integrierte Schaltungen (ICs) > PMIC-Hot-Swap-           |
| Teilstatus                 | 2690 pcs Stock                                           |
| Spannungsversorgung        | 4.5 V ~ 20 V                                             |
| Art                        | Hot Swap Controller, Monitor                             |
| Supplier Device-Gehäuse    | 32-LFCSP-WQ (5x5)                                        |
| Serie                      | -                                                        |
| Programmierbare Funktionen | Auto Retry, Current Limit, Fault Timeout, Latched Fault, |
| Verpackung                 | Tray                                                     |
| Verpackung / Gehäuse       | 32-WFQFN Exposed Pad, CSP                                |
| Betriebstemperatur         | -40°C ~ 85°C                                             |
| Anzahl der Kanäle          | 1                                                        |
| Befestigungsart            | Surface Mount                                            |
| Interne (r)                | No                                                       |
| Eigenschaften              | PMBus                                                    |
| Feature Pins               | -                                                        |
| Strom - Versorgung         | 5.5mA                                                    |
| Strom - Ausgabe (max)      | -                                                        |
| Anwendungen                | General Purpose                                          |
