| Hersteller                         | Angstrohm / Vishay                     |
| Beschreibung                       | CAP FILM 0.27UF 10% 400VDC RAD         |
| Kategorie                          | Kondensatoren > Filmkondensatoren      |
| Teilstatus                         | 2591 pcs Stock                         |
| Nennspannung - DC                  | 400V                                   |
| Nennspannung - AC                  | 100V                                   |
| Toleranz                           | ±10%                                   |
| Beendigung                         | PC Pins                                |
| Größe / Dimension                  | 0.689" L x 0.197" W (17.50mm x 5.00mm) |
| Serie                              | MKT373M                                |
| Verpackung                         | Tape & Reel (TR)                       |
| Verpackung / Gehäuse               | Radial                                 |
| Betriebstemperatur                 | -55°C ~ 105°C                          |
| Befestigungsart                    | Through Hole                           |
| Leiter-Abstand                     | 0.591" (15.00mm)                       |
| Höhe - eingesteckt (max)           | 0.728" (18.50mm)                       |
| Eigenschaften                      | Long Life                              |
| ESR (Equivalent Series Resistance) | -                                      |
| Dielektrikummaterial               | Polyester, Metallized                  |
| Kapazität                          | 0.27µF                                 |
| Anwendungen                        | General Purpose                        |
