|------------------------------------------|-----------------------------------------------------|
| Artikelnummer                            | AT32UC3C2256C-A2ZR                                  |
| Hersteller                               | Micro Commercial Components (MCC)                   |
| Beschreibung                             | IC MCU 32BIT 256KB FLASH 64TQFP                     |
| Kategorie                                | Integrierte Schaltungen (ICs) > Eingebettet -       |
| Teilstatus                               | 2909 pcs Stock                                      |
| Spannung - Versorgung (Vcc / Vdd)        | FLASH                                               |
| Spannung - Durchschlag                   | 64-TQFP (10x10)                                     |
| Serie                                    | Automotive, AEC-Q100, AVR@32 UC3 C                  |
| RoHS Status                              | Digi-Reel®                                          |
| Rückwärts-Erholzeit (Trr)                | 66MHz                                               |
| Benötigt                                 | Brown-out Detect/Reset, DMA, I²S, POR, PWM, WDT     |
| Programmspeichertyp                      | 256KB (256K x 8)                                    |
| Programmspeichergröße                    | CAN, Ethernet, I²C, IrDA, LIN, SPI, UART/USART, USB |
| Polarisation                             | 64-TQFP                                             |
| Andere Namen                             | 1611-AT32UC3C2256C-A2ZRDKR                          |
| Oszillatortyp                            | A/D 11x12b, D/A 2x12b                               |
| Betriebstemperatur                       | -40°C ~ 125°C (TA)                                  |
| Betriebssystem                           | AVR                                                 |
| Feuchtigkeitsempfindlichkeitsstufe (MSL) | 3 (168 Hours)                                       |
| Hersteller Standard Vorlaufzeit          | 12 Weeks                                            |
| Hersteller-Teilenummer                   | AT32UC3C2256C-A2ZR                                  |
| Expanded Beschreibung                    | AVR Automotive, AEC-Q100, AVR@32 UC3 C              |
| Beschreibung                             | IC MCU 32BIT 256KB FLASH 64TQFP                     |
| Daten SRAM Bytes                         | -                                                   |
| Datenwandler                             | 3 V ~ 5.5 V                                         |
| Kerngröße                                | 64K x 8                                             |
| Controller Serie                         | Internal                                            |
| Connectivity                             | 32-Bit                                              |
| Taktfrequenz                             | 45                                                  |
