| Artikelnummer                           | SLD26-018-B                      |
| Hersteller                              | Hamlin / Littelfuse              |
| Beschreibung                            | TVS DIODE 26VWM 42.1VC P600      |
| Kategorie                               | Schaltkreisschutz > TVS - Dioden |
| Teilstatus                              | 2565 pcs Stock                   |
| Spannung - Betriebsgleichspannung (Typ) | 26V                              |
| Spannung - Klemmung (max.) @ Ipp        | 42.1V                            |
| Spannung - Aufteilung (min.)            | 28.9V                            |
| Art                                     | Zener                            |
| Supplier Device-Gehäuse                 | P600                             |
| Serie                                   | Automotive, AEC-Q101, SLD        |
| Stromleitungsschutz                     | No                               |
| Power - Peak Pulse                      | 5000W (5kW)                      |
| Verpackung                              | Bulk                             |
| Verpackung / Gehäuse                    | P600, Axial                      |
| Betriebstemperatur                      | -55°C ~ 175°C (TJ)               |
| Befestigungsart                         | Through Hole                     |
| Strom - Spitzenimpuls (10 / 1000µs)     | 121.1A                           |
| Kapazität @ Frequenz                    | -                                |
| Bidirektionale Kanäle                   | 1                                |
| Anwendungen                             | Automotive                       |
