| Hersteller                   | N/A                                                   |
| Beschreibung                 | COM/I&I REQUIRE LOW NOISE LDO                         |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 2502 pcs Stock                                        |
| Spannung - Ausgabe           | 0.9V                                                  |
| Spannung - Eingang           | 1.1 V ~ 1.98 V                                        |
| Spannung - Aussetz (typisch) | -                                                     |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Fixed                                        |
| Betriebstemperatur           | -40°C ~ 125°C                                         |
| Anzahl der Regler            | 1                                                     |
| Strom - Ausgabe              | 4A                                                    |
| Strom - Grenze (min)         | 5.5A                                                  |
