| Teilenummer                | CS5361-KSZR                                             |
| Hersteller                 | Cirrus Logic                                            |
| Beschreibung               | IC ADC 24BIT SRL 192KHZ 24-SOIC                         |
| Kategorie                  | Integrierte Schaltungen (ICs) > Datenerfassung - ADCs / |
| Teilstatus                 | 6426 pcs Stock                                          |
| Spannungsversorgungsquelle | Analog and Digital                                      |
| Spannungsversorgung        | 3.3V, 5V                                                |
| Art                        | ADC, Audio                                              |
| Supplier Device-Gehäuse    | 24-SOIC                                                 |
| Serie                      | -                                                       |
| Abtastrate (pro Sekunde)   | 192k                                                    |
| Auflösung (Bits)           | 24 b                                                    |
| Verpackung                 | Tape & Reel (TR)                                        |
| Verpackung / Gehäuse       | 24-SOIC (0.295", 7.50mm Width)                          |
| Betriebstemperatur         | -10°C ~ 70°C                                            |
| Befestigungsart            | Surface Mount                                           |
| Data Interface             | Serial                                                  |
