|---------------------------------|------------------------------------------------|
| Artikelnummer                   | CY2SSTV855ZXC                                  |
| Hersteller                      | Energy Micro (Silicon Labs)                    |
| Beschreibung                    | IC CLK BUF DDR 170MHZ 1CIRC                    |
| Kategorie                       | Integrierte Schaltungen (ICs) > Uhr / Timing - |
| Teilstatus                      | 2023 pcs Stock                                 |
| Spannungsversorgung             | 2.375 V ~ 2.625 V                              |
| Supplier Device-Gehäuse         | 28-TSSOP                                       |
| Serie                           | Spread Aware™                                  |
| Verhältnis - Eingang: Ausgang   | 1:4                                            |
| Verpackung                      | Tube                                           |
| Verpackung / Gehäuse            | 28-TSSOP (0.173", 4.40mm Width)                |
| PLL                             | Yes                                            |
| Ausgabe                         | SSTL                                           |
| Betriebstemperatur              | 0°C ~ 70°C                                     |
| Zahl der Schaltkreise           | 1                                              |
| Befestigungsart                 | Surface Mount                                  |
| Hauptzweck                      | Memory, DDR, SDRAM                             |
| Eingang                         | Clock                                          |
| Frequenz - Max                  | 170MHz                                         |
| Differenzial - Eingang: Ausgang | Yes/Yes                                        |
