

| Spezifikationen |                                                         |
|-----------------|---------------------------------------------------------|
| Artikelnummer   | BD3897FVM-TR                                            |
| Hersteller      | LAPIS Semiconductor                                     |
| Beschreibung    | IC SIGNAL PROCESSOR 8MSOP                               |
| Kategorie       | Integrierte Schaltungen (ICs) > Schnittstelle - Sensor- |
| Teilstatus      | 2591 pcs Stock                                          |
| Serie           | *                                                       |
| Serie           | -                                                       |
| RoHs Status     | Lead free / RoHS Compliant                              |
| Bedingung       | New Original Stock                                      |
| Garantie        | 100% Perfect Functions                                  |
| Vorlaufzeit     | 2-3days after payment.                                  |
| Zahlung         | PayPal / Telegraphic Transfer / Western Union           |
| Versand per     | DHL / Fedex / UPS                                       |
| Hafen           | HongKong                                                |
| Anfrage-E-Mail  | Info@YIC-Electronics.com                                |
