| Teilenummer                       | PIC18F25J10-I/SO                              |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 32KB FLASH 28SOIC                 |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2667 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2.7 V ~ 3.6 V                                 |
| Supplier Device-Gehäuse           | 28-SOIC                                       |
| Geschwindigkeit                   | 40MHz                                         |
| Serie                             | PIC® 18J                                      |
| RAM-Größe                         | 1K x 8                                        |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 32KB (16K x 16)                               |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tube                                          |
| Verpackung / Gehäuse              | 28-SOIC (0.295", 7.50mm Width)                |
| Osziillatortyp                    | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 21                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 10x10b                                    |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | I²C, SPI, UART/USART                          |
