|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | XS1-L16A-128-QF124-C8                         |
| Hersteller                        | XMOS                                          |
| Beschreibung                      | IC MCU 32BIT 128KB SRAM 124QFN                |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 486 pcs Stock                                 |
| Spannung - Versorgung (Vcc / Vdd) | 0.95 V ~ 3.6 V                                |
| Supplier Device-Gehäuse           | 124-QFN DualRow (10x10)                       |
| Geschwindigkeit                   | 800MIPS                                       |
| Serie                             | XS1                                           |
| RAM-Größe                         | -                                             |
| Programmspeichertyp               | SRAM                                          |
| Programmspeichergröße             | 128KB (32K x 32)                              |
| Peripherals                       | -                                             |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 124-TFQFN Dual Rows Exposed Pad               |
| Oszillatortyp                     | External                                      |
| Betriebstemperatur                | 0°C ~ 70°C (TA)                               |
| Anzahl der E / A                  | 84                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | -                                             |
| Kerngröße                         | 32-Bit 16-Core                                |
| Core-Prozessor                    | XCore                                         |
| Connectivity                      | Configurable                                  |
|                                   |                                               |
