| Hersteller           | STMicroelectronics                                |
| Beschreibung         | MOD IGBT SLLIMM 14A 600V 25SDIP                   |
| Kategorie            | Diskrete Halbleiterprodukte > Power Driver Module |
| Teilstatus           | 2571 pcs Stock                                    |
| Spannung - Isolation | 2500Vrms                                          |
| Stromspannung        | 600V                                              |
| Art                  | IGBT                                              |
| Serie                | SLLIMM™                                           |
| Verpackung / Gehäuse | 25-PowerDIP Module (0.993", 25.23mm)              |
| Strom                | 14A                                               |
| Konfiguration        | 3 Phase                                           |
