| Kategorie                               | Schaltkreisschutz > TVS - Dioden |
| Teilstatus                              | 2624 pcs Stock                   |
| Spannung - Betriebsgleichspannung (Typ) | 24V                              |
| Spannung - Klemmung (max.) @ Ipp        | 41.4V                            |
| Spannung - Aufteilung (min.)            | 27V                              |
| Unidirektionale Kanäle                  | 1                                |
| Art                                     | Zener                            |
| Supplier Device-Gehäuse                 | Axial                            |
| Serie                                   | Military, MIL-PRF-19500/551      |
| Stromleitungsschutz                     | No                               |
| Power - Peak Pulse                      | 500W                             |
| Verpackung                              | Bulk                             |
| Verpackung / Gehäuse                    | B, Axial                         |
| Betriebstemperatur                      | -55°C ~ 175°C (TJ)               |
| Befestigungsart                         | Through Hole                     |
| Strom - Spitzenimpuls (10 / 1000µs)     | 69A (8/20µs)                     |
| Kapazität @ Frequenz                    | -                                |
| Anwendungen                             | General Purpose                  |
