Spezifikationen

|                                   |                                                   |
|-----------------------------------|---------------------------------------------------|
| Teilenummer                       | PIC32MZ2048ECM064T-I/PT                           |
| Hersteller                        | Micrel / Microchip Technology                     |
| Beschreibung                      | IC MCU 32BIT 2MB FLASH 64TQFP                     |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet -     |
| Teilstatus                        | 2664 pcs Stock                                    |
| Spannung - Versorgung (Vcc / Vdd) | 2.3 V ~ 3.6 V                                     |
| Supplier Device-Gehäuse           | 64-TQFP (10x10)                                   |
| Geschwindigkeit                   | 200MHz                                            |
| Serie                             | PIC® 32MZ                                         |
| RAM-Größe                         | 512K x 8                                          |
| Programmspeichertyp               | FLASH                                             |
| Programmspeichergröße             | 2MB (2M x 8)                                      |
| Peripherals                       | Brown-out Detect/Reset, DMA, I²S, POR, PWM, WDT   |
| Verpackung                        | Tape & Reel (TR)                                  |
| Verpackung / Gehäuse              | 64-TQFP                                           |
| Oszillatortyp                     | Internal                                          |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                                 |
| Anzahl der E / A                  | 53                                                |
| EEPROM Größe                      | -                                                 |
| Datenwandler                      | A/D 24x12b                                        |
| Kerngröße                         | 32-Bit                                            |
| Core-Prozessor                    | MIPS32® microAptiv™                               |
| Connectivity                      | CAN, Ethernet, I²C, SPI, SQI, UART/USART, USB OTG |
