|----------------------------|-----------------------------------------------------|
| Artikelnummer              | SC813ULTRT                                          |
| Hersteller                 | Semtech                                             |
| Beschreibung               | IC LI-ION BATTERY CHRGR                             |
| Kategorie                  | Integrierte Schaltungen (ICs) > PMIC-Ladegeräte     |
| Teilstatus                 | 2536 pcs Stock                                      |
| Spannungsversorgung (max.) | 5.6V                                                |
| Supplier Device-Gehäuse    | 8-MLPD (2x2)                                        |
| Serie                      | -                                                   |
| Programmierbare Funktionen | Current                                             |
| Verpackung                 | Tape & Reel (TR)                                    |
| Verpackung / Gehäuse       | 8-UFDFN Exposed Pad                                 |
| Betriebstemperatur         | -40°C ~ 85°C (TA)                                   |
| Anzahl der Zellen,         | 1                                                   |
| Schnittstelle              | USB                                                 |
| Fehlerschutz               | Over Current, Over Temperature, Over Voltage, Short |
| Strom - Aufladen           | Constant - Programmable                             |
| Ladestrom - Max            | 1A                                                  |
| Batteriespannung           | 4.2V                                                |
| Batterie-Chemie            | Lithium-Ion                                         |
