| Teilstatus                        | 2610 pcs Stock                                     |
| Spannungsversorgung               | 4.75 V ~ 5.25 V                                    |
| Art                               | JK Type                                            |
| Trigger-Typ                       | Positive Edge                                      |
| Serie                             | 74LS                                               |
| Verpackung                        | Tape & Reel (TR)                                   |
| Verpackung / Gehäuse              | 16-SOIC (0.154", 3.90mm Width)                     |
| Ausgabetyp                        | Differential                                       |
| Betriebstemperatur                | 0°C ~ 70°C (TA)                                    |
| Anzahl der Elemente               | 2                                                  |
| Anzahl der Bits pro Element       | 1                                                  |
| Befestigungsart                   | Surface Mount                                      |
| Max Propagation Delay @ V, Max CL | 25ns @ 5V, 15pF                                    |
| Funktion                          | Set(Preset) and Reset                              |
| Strom - Ruhende                   | 8mA                                                |
| Strom - hoch, niedrig             | 400µA, 8mA                                         |
| Uhrfrequenz                       | 33MHz                                              |
