| Artikelnummer                     | PIC18F13K22-E/SO                              |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 8KB FLASH 20SOIC                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2625 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2.3 V ~ 5.5 V                                 |
| Supplier Device-Gehäuse           | 20-SOIC                                       |
| Geschwindigkeit                   | 48MHz                                         |
| Serie                             | PIC® XLP™ 18K                                 |
| RAM-Größe                         | 256 x 8                                       |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 8KB (4K x 16)                                 |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tube                                          |
| Verpackung / Gehäuse              | 20-SOIC (0.295", 7.50mm Width)                |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 125°C (TA)                            |
| Anzahl der E / A                  | 17                                            |
| EEPROM Größe                      | 256 x 8                                       |
| Datenwandler                      | A/D 12x10b                                    |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | I²C, LIN, SPI, UART/USART                     |
