| Hersteller                         | Micro Commercial Components (MCC)                   |
| Beschreibung                       | DIODE GEN PURP 600V 1A SMAE                         |
| Kategorie                          | Diskrete Halbleiterprodukte > Dioden-Gleichrichter- |
| Teilstatus                         | 10500 pcs Stock                                     |
| Spannung - Forward (Vf) (Max) @ If | 1.3V @ 1A                                           |
| Spannung - Sperr (Vr) (max)        | 600V                                                |
| Supplier Device-Gehäuse            | SMAE                                                |
| Geschwindigkeit                    | Fast Recovery = 200mA (Io)                          |
| Serie                              | -                                                   |
| Rückwärts-Erholzeit (Trr)          | 250ns                                               |
| Verpackung                         | Tape & Reel (TR)                                    |
| Verpackung / Gehäuse               | DO-214AC, SMA                                       |
| Betriebstemperatur - Anschluss     | -50°C ~ 150°C                                       |
| Befestigungsart                    | Surface Mount                                       |
| Diodentyp                          | Standard                                            |
| Strom - Sperrleckstrom @ Vr        | 5µA @ 600V                                          |
| Strom - Richt (Io)                 | 1A                                                  |
| Kapazität @ Vr, F                  | 15pF @ 4V, 1MHz                                     |
