|-----------------------------------|-------------------------------------------------|
| Artikelnummer                     | DSPIC33EP64MC204-I/ML                           |
| Hersteller                        | Micrel / Microchip Technology                   |
| Beschreibung                      | IC MCU 16BIT 64KB FLASH 44QFN                   |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet -   |
| Teilstatus                        | 2576 pcs Stock                                  |
| Spannung - Versorgung (Vcc / Vdd) | 3 V ~ 3.6 V                                     |
| Supplier Device-Gehäuse           | 44-QFN (8x8)                                    |
| Geschwindigkeit                   | 70 MIPS                                         |
| Serie                             | dsPIC™ 33EP                                     |
| RAM-Größe                         | 4K x 16                                         |
| Programmspeichertyp               | FLASH                                           |
| Programmspeichergröße             | 64KB (22K x 24)                                 |
| Peripherals                       | Brown-out Detect/Reset, DMA, Motor Control PWM, |
| Verpackung                        | Tube                                            |
| Verpackung / Gehäuse              | 44-VQFN Exposed Pad                             |
| Oszillatortyp                     | Internal                                        |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                               |
| Anzahl der E / A                  | 35                                              |
| EEPROM Größe                      | -                                               |
| Datenwandler                      | A/D 9x10b/12b                                   |
| Kerngröße                         | 16-Bit                                          |
| Core-Prozessor                    | dsPIC                                           |
| Connectivity                      | I²C, IrDA, LIN, QEI, SPI, UART/USART            |
