|-------------------------|-------------------------------------------------------|
| Artikelnummer           | CD74HC299EG4                                          |
| Hersteller              | N/A                                                   |
| Beschreibung            | IC UNIV SHIFT REGISTER 20DIP                          |
| Kategorie               | Integrierte Schaltungen (ICs) > Logik - Universal Bus |
| Teilstatus              | 2616 pcs Stock                                        |
| Spannungsversorgung     | 2 V ~ 6 V                                             |
| Supplier Device-Gehäuse | 20-PDIP                                               |
| Serie                   | 74HC                                                  |
| Verpackung              | Tube                                                  |
| Verpackung / Gehäuse    | 20-DIP (0.300", 7.62mm)                               |
| Betriebstemperatur      | -55°C ~ 125°C                                         |
| Zahl der Schaltkreise   | 8-Bit                                                 |
| Befestigungsart         | Through Hole                                          |
| Logiktyp                | Universal Shift Register                              |
| Strom - hoch, niedrig   | 7.8mA, 7.8mA                                          |
