|-----------------------------------|-----------------------------------------------|
| Teilenummer                       | PIC16C716-04/SO                               |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 3.5KB OTP 18SOIC                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2562 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 4 V ~ 5.5 V                                   |
| Supplier Device-Gehäuse           | 18-SOIC                                       |
| Geschwindigkeit                   | 4MHz                                          |
| Serie                             | PIC® 16C                                      |
| RAM-Größe                         | 128 x 8                                       |
| Programmspeichertyp               | OTP                                           |
| Programmspeichergröße             | 3.5KB (2K x 14)                               |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tube                                          |
| Verpackung / Gehäuse              | 18-SOIC (0.295", 7.50mm Width)                |
| Oszillatortyp                     | External                                      |
| Betriebstemperatur                | 0°C ~ 70°C (TA)                               |
| Anzahl der E / A                  | 13                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 4x8b                                      |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | -                                             |
