|                              |                                                       |
|------------------------------|-------------------------------------------------------|
| Artikelnummer                | MIC69303YML-TR                                        |
| Hersteller                   | Micrel / Microchip Technology                         |
| Beschreibung                 | IC REG LDO ADJ 3A 12MLF                               |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 2632 pcs Stock                                        |
| Spannung - Ausgabe           | 0.5 V ~ 5 V                                           |
| Spannung - Eingang           | 1.65 V ~ 5.5 V                                        |
| Spannung - Aussetz (typisch) | 0.275V @ 3A                                           |
| Supplier Device-Gehäuse      | 12-MLF™ (4x4)                                         |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Adjustable                                   |
| Verpackung                   | Cut Tape (CT)                                         |
| Verpackung / Gehäuse         | 12-VDFDN Exposed Pad, 12-MLF®                         |
| Betriebstemperatur           | -40°C ~ 125°C                                         |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 3A                                                    |
| Strom - Grenze (min)         | 3.3A                                                  |
