The image is a composite of two product photographs. The top half shows the Laird Technologies logo, which consists of the word "Laird" in a bold, black, sans-serif font, with a blue swoosh underline that extends to the right. Below the logo, the part number "35U1260-320" is displayed in a bold, black, sans-serif font. Underneath the part number, the text "Laird Technologies" is written in a smaller, regular, black, sans-serif font, followed by "FERRITE CORE FOR" and "AUTOMOTIVE BUS" in the same font style. The bottom half of the image shows a cylindrical aluminum electrolytic capacitor. The capacitor has a black body with a silver-colored band in the middle. The silver band has the Rubycon logo and the part number "35USC10000MEFCSN25X35" printed on it. The capacitor has a snap terminal on one end and a mounting tab on the other. The background of the bottom half is white.
