| Kategorie                              | Integrierte Schaltungen (ICs) > PMIC-Gate-Treiber |
| Teilstatus                             | 594 pcs Stock                                     |
| Spannungsversorgung                    | 4 V ~ 14 V                                        |
| Supplier Device-Gehäuse                | 8-TSSOP                                           |
| Serie                                  | -                                                 |
| Aufstieg / Fallzeit (Typ)              | 14ns, 15ns                                        |
| Verpackung                             | Tape & Reel (TR)                                  |
| Verpackung / Gehäuse                   | 8-TSSOP (0.173", 4.40mm Width)                    |
| Betriebstemperatur                     | -40°C ~ 125°C (TA)                                |
| Anzahl der Treiber                     | 2                                                 |
| Befestigungsart                        | Surface Mount                                     |
| Logikspannung - VIL, VIH               | 1V, 4V                                            |
| Eingabetyp                             | Inverting, Non-Inverting                          |
| Gate-Typ                               | N-Channel, P-Channel MOSFET                       |
| Angetriebene Konfiguration             | Low-Side                                          |
| Strom - Spitzenleistung (Quelle, Sink) | 2A, 2A                                            |
| Ladestrom                              | Synchronous                                       |
