| Kategorie                        | Integrierte Schaltungen (ICs) > PMIC - Spannungsregler |
| Teilstatus                       | 2679 pcs Stock                                         |
| Spannung - Ausgang (Min / Fixed) | 1.6V                                                   |
| Spannung - Ausgabe (max)         | 5.25V                                                  |
| Spannung - Eingang (min)         | 0.5V                                                   |
| Spannung - Eingang (Max)         | 5V                                                     |
| Topologie                        | Boost                                                  |
| Synchrone Gleichrichter          | Yes                                                    |
| Supplier Device-Gehäuse          | 6-DFN (2x2)                                            |
| Serie                            | -                                                      |
| Verpackung                       | Original-Reel®                                         |
| Verpackung / Gehäuse             | 6-WFDFN Exposed Pad                                    |
| Ausgabetyp                       | Adjustable                                             |
| Ausgangskonfiguration            | Positive                                               |
| Betriebstemperatur               | -40°C ~ 85°C (TA)                                      |
| Anzahl der Ausgänge              | 1                                                      |
| Befestigungsart                  | Surface Mount                                          |
| Funktion                         | Step-Up                                                |
| Frequenz - Umschaltung           | 2MHz                                                   |
| Strom - Ausgabe                  | 500mA (Switch)                                         |
