| Artikelnummer           | MTQ-C2-B02-N2                            |
| Hersteller              | Multi-Tech Systems, Inc.                 |
| Beschreibung            | EMBEDDED 1XRTT MODEM (SPRINT)            |
| Kategorie               | RF / IF und RFID > RF Transceiver Module |
| Teilstatus              | 2592 pcs Stock                           |
| Spannungsversorgung     | 5V                                       |
| Serie                   | MultiConnect® Dragonfly™                 |
| Serielle Schnittstellen | I²C, SPI, UART, USB                      |
| Empfindlichkeit         | -                                        |
| RF Familie / Standard   | Cellular                                 |
| Protokoll               | CDMA                                     |
| Leistung                | -                                        |
| Verpackung              | Bulk                                     |
| Verpackung / Gehäuse    | Module                                   |
| Betriebstemperatur      | -40°C ~ 85°C                             |
| Befestigungsart         | Chassis Mount                            |
| Modulation              | -                                        |
| Speichergröße           | 512kB Flash, 96kB SRAM                   |
| Frequenz                | 800MHz, 1.9GHz                           |
| Datenrate               | -                                        |
| Strom - empfangen       | 53mA                                     |
| Antennentyp             | Not Included, U.FL                       |
