

| Spezifikationen         |                                            |
|-------------------------|--------------------------------------------|
| Teilenummer             | MT47H64M16B7-5E:A TR                       |
| Hersteller              | Micron Technology                          |
| Beschreibung            | IC SDRAM 1GBIT 200MHZ 92FBGA               |
| Kategorie               | Integrierte Schaltungen (ICs) > Erinnerung |
| Teilstatus              | 2543 pcs Stock                             |
| Spannungsversorgung     | 1.7 V ~ 1.9 V                              |
| Supplier Device-Gehäuse | -                                          |
| Geschwindigkeit         | 200MHz                                     |
| Serie                   | -                                          |
| Verpackung              | Tape & Reel (TR)                           |
| Verpackung / Gehäuse    | 92-FBGA                                    |
| Betriebstemperatur      | 0°C ~ 85°C (TC)                            |
| Speichertyp             | Volatile                                   |
| Speichergroße           | 1Gb (64M x 16)                             |
| Speicherformat          | DRAM                                       |
| Schnittstelle           | Parallel                                   |
