| Kategorie                      | Integrierte Schaltungen (ICs) > Logik - Verriegelungen |
| Teilstatus                     | 2504 pcs Stock                                         |
| Spannungsversorgung            | 4.75 V ~ 5.25 V                                        |
| Supplier Device-Gehäuse        | 24-SOIC                                                |
| Serie                          | 74FCT                                                  |
| Verpackung                     | Tape & Reel (TR)                                       |
| Verpackung / Gehäuse           | 24-SOIC (0.295", 7.50mm Width)                         |
| Ausgabetyp                     | Tri-State                                              |
| Betriebstemperatur             | -40°C ~ 85°C                                           |
| Befestigungsart                | Surface Mount                                          |
| Logiktyp                       | D-Type Transparent Latch                               |
| Unabhängige Schaltkreise       | 1                                                      |
| Verzögerungszeit - Ausbreitung | 1.5ns                                                  |
| Strom - hoch, niedrig          | 32mA, 64mA                                             |
| Schaltung                      | 10:10                                                  |
