MPQ6411GS

Hersteller-Teilenummer:

MPQ6411GS

Hersteller / Marke:

MPS (Monolithic Power Systems)

Teil der Beschreibung:

INDUSTRIAL GRADE, WINDOWED WATCH

RoHs Status:

Bleifrei / RoHS-konform

Lagerzustand:

New original, 2560 pcs Stock Available.

Liefern von:

Hong Kong

Versandweg:

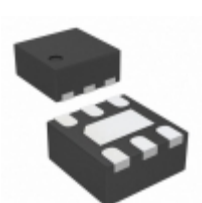

DHL/Fedex/TNT/UPS/EMS

Spezifikationen

|                                           |                                                    |
|-------------------------------------------|----------------------------------------------------|
| Artikelnummer                             | MPQ6411GS                                          |
| Hersteller                                | MPS (Monolithic Power Systems)                     |
| Beschreibung                              | INDUSTRIAL GRADE, WINDOWED WATCH                   |
| Kategorie                                 | Integrierte Schaltungen (ICs) > PMIC - Vorgesetzte |
| Teilstatus                                | 2560 pcs Stock                                     |
| Spannung - Schwellen                      | 4.6V                                               |
| Art                                       | Watchdog Circuit                                   |
| Serie                                     | -                                                  |
| Zurücksetzen Timeout                      | -                                                  |
| zurückstellen                             | -                                                  |
| Ausgabe                                   | -                                                  |
| Betriebstemperatur                        | -40°C ~ 125°C (TA)                                 |
| Anzahl der überwachten Spannungen         | 1                                                  |
| Feuchtigkeitsempfindlichkeitsniveau (MSL) | 2 (1 Year)                                         |
| Hersteller Standard Vorlaufzeit           | 19 Weeks                                           |
| Bleifreier Status / RoHS-Status           | Lead free / RoHS Compliant                         |
| detaillierte Beschreibung                 | Supervisor 1 Channel                               |
