| Artikelnummer                 | LTC4416IMS#PBF                                         |
| Hersteller                    | N/A                                                    |
| Beschreibung                  | IC OR CTRLR SRC SELECT 10MSOP                          |
| Kategorie                     | Integrierte Schaltungen (ICs) > PMIC oder Steuerungen, |
| Teilstatus                    | 2514 pcs Stock                                         |
| Spannungsversorgung           | 3.6 V ~ 36 V                                           |
| Art                           | Source Selector Switch                                 |
| Supplier Device-Gehäuse       | 10-MSOP                                                |
| Serie                         | PowerPath™                                             |
| Verhältnis - Eingang: Ausgang | 2:2                                                    |
| Verpackung                    | Tube                                                   |
| Verpackung / Gehäuse          | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)               |
| Betriebstemperatur            | -40°C ~ 125°C                                          |
| Befestigungsart               | Surface Mount                                          |
| Interne (r)                   | No                                                     |
| Typ FET                       | P-Channel                                              |
| Verzögerungszeit - EIN        | 60µs                                                   |
| Verzögerungszeit - AUS        | 30µs                                                   |
| Strom - Versorgung            | 130µA                                                  |
| Strom - Ausgabe (max)         | -                                                      |
| Anwendunaen                   | Battery Backup, Industrial/Automotive, High Current    |
