## ADCMP562BRQZ-RL7

|                         |                                         |
|-------------------------|-----------------------------------------|
| Hersteller-Teilenummer: | ADCMP562BRQZ-RL7                        |
| Hersteller / Marke:     | N/A                                     |
| Teil der Beschreibung:  | IC COMPARATOR PECL DUAL 20QSOP          |
| RoHs Status:            | Bleifrei / RoHS-konform                 |
| Lagerzustand:           | New original, 2618 pcs Stock Available. |
| Liefern von:            | Hong Kong                               |
| Versandweg:             | DHL/Fedex/TNT/UPS/EMS                   |

See specs for product details.

| Spezifikationen                        |                                                      |
|----------------------------------------|------------------------------------------------------|
| Artikelnummer                          | ADCMP562BRQZ-RL7                                     |
| Hersteller                             | N/A                                                  |
| Beschreibung                           | IC COMPARATOR PECL DUAL 20QSOP                       |
| Kategorie                              | Integrierte Schaltungen (ICs) > Linear - Vergleicher |
| Teilstatus                             | 2618 pcs Stock                                       |
| Spannungsversorgung, Single / Dual (±) | ±4.75 V ~ 5.25 V                                     |
| Spannung - Eingangs-Offset (Max)       | 2mV @ -5.2V, 5V                                      |
| Art                                    | General Purpose                                      |
| Supplier Device-Gehäuse                | 20-QSOP                                              |
| Serie                                  | -                                                    |
| Propagation Delay (Max)                | 0.83ns                                               |
| Verpackung                             | Original-Reel®                                       |
| Verpackung / Gehäuse                   | 20-SSOP (0.154", 3.90mm Width)                       |
| Ausgabetyp                             | Complementary, PECL                                  |
| Betriebstemperatur                     | -40°C ~ 85°C                                         |
| Anzahl der Elemente                    | 2                                                    |
| Befestigungsart                        | Surface Mount                                        |
| Hysterese                              | ±1mV                                                 |
| Strom - Ruhende (Max)                  | 5mA, 28mA, 13mA                                      |
| Strom - Ausgabe (Typ)                  | 30mA                                                 |
| Strom - Eingangsruhe (Max)             | 3µA @ -5.2V,5V                                       |
| CMRR, PSRR (Typ)                       | 80dB CMRR, 85dB PSRR                                 |
