| Artikelnummer                          | LM5100ASD/NOPB                                    |
| Hersteller                             | N/A                                               |
| Beschreibung                           | IC DVR HALF-BRIDGE HV 10WSON                      |
| Kategorie                              | Integrierte Schaltungen (ICs) > PMIC-Gate-Treiber |
| Teilstatus                             | 3549 pcs Stock                                    |
| Spannungsversorgung                    | 9 V ~ 14 V                                        |
| Supplier Device-Gehäuse                | 10-WSON (4x4)                                     |
| Serie                                  | -                                                 |
| Aufstieg / Fallzeit (Typ)              | 430ns, 260ns                                      |
| Verpackung                             | Tape & Reel (TR)                                  |
| Verpackung / Gehäuse                   | 10-WDFN Exposed Pad                               |
| Betriebstemperatur                     | -40°C ~ 125°C (TJ)                                |
| Anzahl der Treiber                     | 2                                                 |
| Befestigungsart                        | Surface Mount                                     |
| Logikspannung - VIL, VIH               | 2.3V, -                                           |
| Eingabetyp                             | Non-Inverting                                     |
| High-Side-Spannung - Max (Bootstrap)   | 118V                                              |
| Gate-Typ                               | N-Channel MOSFET                                  |
| Angetriebene Konfiguration             | Half-Bridge                                       |
| Strom - Spitzenleistung (Quelle, Sink) | 3A, 3A                                            |
| Ladestrom                              | Independent                                       |
