|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | ATXMEGA384D3-ANR                              |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 384KB FLASH 64TQFP                |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2677 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 1.6 V ~ 3.6 V                                 |
| Supplier Device-Gehäuse           | 64-TQFP (14x14)                               |
| Geschwindigkeit                   | 32MHz                                         |
| Serie                             | AVR® XMEGA® D3                                |
| RAM-Größe                         | 32K x 8                                       |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 384KB (384K x 8)                              |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tape & Reel (TR)                              |
| Verpackung / Gehäuse              | 64-TQFP                                       |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 105°C (TA)                            |
| Anzahl der E / A                  | 50                                            |
| EEPROM Größe                      | 4K x 8                                        |
| Datenwandler                      | A/D 16x12b                                    |
| Kerngröße                         | 8/16-Bit                                      |
| Core-Prozessor                    | AVR                                           |
| Connectivity                      | I²C, IrDA, SPI, UART/USART                    |
