|-------------------------|-----------------------------------------------------|
| Teilenummer             | A8904SLP-T                                          |
| Hersteller              | Allegro MicroSystems, LLC.                          |
| Beschreibung            | IC MOTOR CONTROLLER PAR 28TSSOP                     |
| Kategorie               | Integrierte Schaltungen (ICs) > PMIC-Motor-Treiber, |
| Teilstatus              | 2555 pcs Stock                                      |
| Spannungsversorgung     | 4.5 V ~ 5.5 V                                       |
| Spannung - Last         | 4 V ~ 14 V                                          |
| Technologie             | CMOS, DMOS                                          |
| Supplier Device-Gehäuse | 28-TSSOP-EP                                         |
| Schritt Auflösung       | -                                                   |
| Serie                   | -                                                   |
| Verpackung              | Tube                                                |
| Verpackung / Gehäuse    | 28-TSSOP (0.173", 4.40mm Width) Exposed Pad         |
| Ausgangskonfiguration   | Pre-Driver - Half Bridge (3)                        |
| Betriebstemperatur      | -20°C ~ 85°C (TA)                                   |
| Befestigungsart         | Surface Mount                                       |
| Motortyp - Stepper      | -                                                   |
| Motortyp - AC, DC       | Brushless DC (BLDC)                                 |
| Schnittstelle           | SPI                                                 |
| Funktion                | Controller - Commutation, Direction Management      |
| Strom - Ausgabe         | -                                                   |
| Anwendungen             | General Purpose                                     |
