**S34MS01G104BHB013**

|                         |                                                                                                                         |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Hersteller-Teilenummer: | S34MS01G104BHB013                                                                                                       |
| Hersteller / Marke:     | Cypress Semiconductor                                                                                                   |
| Teil der Beschreibung:  | IC FLASH 1G PARALLEL 63BGA                                                                                              |
| Datenblätter:           |  <a href="#">S34MS01G104BHB013.pdf</a> |
| RoHs Status:            | Bleifrei / RoHS-konform                                                                                                 |
| Lagerzustand:           | New original, 2531 pcs Stock Available.                                                                                 |
| Liefern von:            | Hong Kong                                                                                                               |
| Versandweg:             | DHL/Fedex/TNT/UPS/EMS                                                                                                   |

| Spezifikationen                           |                                                     |
|-------------------------------------------|-----------------------------------------------------|
| Artikelnummer                             | S34MS01G104BHB013                                   |
| Hersteller                                | Cypress Semiconductor                               |
| Beschreibung                              | IC FLASH 1G PARALLEL 63BGA                          |
| Kategorie                                 | Integrierte Schaltungen (ICs) > Erinnerung          |
| Teilstatus                                | 2531 pcs Stock                                      |
| Schreibzyklus Zeit - Wort, Seite          | 45ns                                                |
| Spannungsversorgung                       | 1.7 V ~ 1.95 V                                      |
| Technologie                               | FLASH - NAND                                        |
| Supplier Device-Gehäuse                   | 63-BGA (11x9)                                       |
| Serie                                     | MS-1                                                |
| Verpackung                                | Tape & Reel (TR)                                    |
| Verpackung / Gehäuse                      | 63-VFBGA                                            |
| Betriebstemperatur                        | -40°C ~ 105°C (TA)                                  |
| Befestigungsart                           | Surface Mount                                       |
| Feuchtigkeitsempfindlichkeitsniveau (MSL) | 3 (168 Hours)                                       |
| Speichertyp                               | Non-Volatile                                        |
| Speichergröße                             | 1Gb (64M x 16)                                      |
| Speicherschnittstelle                     | Parallel                                            |
| Speicherformat                            | FLASH                                               |
| Bleifreier Status / RoHS-Status           | Lead free / RoHS Compliant                          |
| detaillierte Beschreibung                 | FLASH - NAND Memory IC 1Gb (64M x 16) Parallel 45ns |
| Zugriffszeit                              | 45ns                                                |
