| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 4510 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 4.5 V ~ 5.5 V                                 |
| Supplier Device-Gehäuse           | 100-LQFP (14x14)                              |
| Geschwindigkeit                   | 64MHz                                         |
| Serie                             | SPC56                                         |
| RAM-Größe                         | 20K x 8                                       |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 256KB (256K x 8)                              |
| Peripherals                       | DMA, POR, PWM, WDT                            |
| Verpackung                        | Original-Reel®                                |
| Verpackung / Gehäuse              | 100-LQFP                                      |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 125°C (TA)                            |
| Anzahl der E / A                  | 64                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 16x10b                                    |
| Kerngröße                         | 32-Bit                                        |
| Core-Prozessor                    | e200z0h                                       |
| Connectivity                      | CAN, LIN, SPI, UART/USART                     |
