| Artikelnummer                          | CS4244-CNZR                                            |
| Hersteller                             | Cirrus Logic                                           |
| Beschreibung                           | IC AUDIO CODEC PCM/TDM 40QFN                           |
| Kategorie                              | Integrierte Schaltungen (ICs) > Schnittstelle - CODECs |
| Teilstatus                             | 2515 pcs Stock                                         |
| Spannung - Versorgung, digital         | 1.8 V ~ 5 V                                            |
| Spannung - Versorgung, analog          | 3.3V, 5V                                               |
| Art                                    | Audio                                                  |
| Supplier Device-Gehäuse                | 40-QFN (6x6)                                           |
| Sigma Delta                            | Yes                                                    |
| Serie                                  | -                                                      |
| S / N-Verhältnis, ADCs / DACs (db) Typ | -                                                      |
| Auflösung (Bits)                       | 24 b                                                   |
| Verpackung                             | Tape & Reel (TR)                                       |
| Verpackung / Gehäuse                   | 40-VFQFN Exposed Pad                                   |
| Betriebstemperatur                     | 0°C ~ 70°C                                             |
| Anzahl der ADCs / DACs                 | 4 / 4                                                  |
| Befestigungsart                        | Surface Mount                                          |
| Dynamic Range, ADCs / DACs (db) Typ    | 105 / 109                                              |
| Data Interface                         | Serial                                                 |
