|--------------------------------|--------------------------------------------------|
| Teilenummer                    | TSM1285BESA+T                                    |
| Hersteller                     | Energy Micro (Silicon Labs)                      |
| Beschreibung                   | IC ADC 12BIT 300KSPS 8SOIC                       |
| Kategorie                      | Integrierte Schaltungen (ICs) > Datenerfassung - |
| Teilstatus                     | 20189 pcs Stock                                  |
| Spannung - Versorgung, digital | 2.7 V ~ 3.6 V                                    |
| Spannung - Versorgung, analog  | 2.7 V ~ 3.6 V                                    |
| Supplier Device-Gehäuse        | 8-SOIC                                           |
| Serie                          | -                                                |
| Abtastrate (pro Sekunde)       | 300k                                             |
| Referenztyp                    | Internal                                         |
| Verhältnis - S / H: ADC        | 1:1                                              |
| Verpackung                     | Tape & Reel (TR)                                 |
| Verpackung / Gehäuse           | 8-SOIC (0.154", 3.90mm Width)                    |
| Betriebstemperatur             | -40°C ~ 125°C                                    |
| Anzahl der Eingänge            | 1                                                |
| Anzahl der Bits                | 12                                               |
| Anzahl der A / D-Wandler       | 1                                                |
| Eingabetyp                     | Single Ended                                     |
| Eigenschaften                  | -                                                |
| Data Interface                 | SPI                                              |
| Konfiguration                  | S/H-ADC                                          |
| Die Architektur                | SAR                                              |
